

• **Title: The Oath**

The Problem: Wisconsin Conservation Congress (WCC) delegates are the only publicly elected position, that I have found, which is not required to take an "Oath of Office".

Most publicly elected officials take an "Oath of Office". This oath normally states that the oath taker will support the Constitution of the United States and the Constitution of the State of Wisconsin.

There have been people running for a delegate position, whom do not completely support our Wisconsin Constitution under the "right to fish, hunt, trap and take game."

BE IT RESOLVED, that the Conservation Congress at its annual meeting held in Oneida County on April 8, 2013, recommends that the Conservation Congress through its committee system make a requirement that all elected or appointed delegates take an Oath of Office to support the Federal and State Constitution. The WCC committees, with this author, will work to help in creating an appropriate "Oath of Office" and oath process.
